Dog Access Matrix - Updated 2/9/07

**Summary Changes / Map Notes**

No changes. Map says posted areas only, but park does not post or enforce any restrictions. Map needs update.

All trails were closed except Calera Creek which was part of BART. Approximately 13 miles of new trails have been opened. Map needs update.

Only a few trails and the campground were open to dogs. Approximately 50 miles of new trails have been opened. Map needs update.

No changes. Map updated needed to reflect new off leash dog park.

Previously permitted in picnic areas and RV parking lot only. Approx. 20 miles of new trails and campground have been opened. Map needs update.

Previously only permitted in picnic areas. Approximately 10 miles of new trails have been opened. Map needs update.

Previously only permitted in picnic areas. Approximately 12 miles of new trails have been opened. Map needs update (part of Stevens Creek map).

Added restriction YSI Nature trail. Map needs update to show new restriction and dog off-leash facility at Los Gatos Creek Park.

Recommend opening upper trails and Lot 1. Need to confer with Montalvo Association. If implemented, Map needs update. 3 miles total.
